MEMORANDUM FOR THE RECORD

SUBJECT: GSA - "Blue Ribbon Panel" -- Property Review Board

BPR Land at Langely

1. On this date at 10:00 a.m., Mr. Curtis A. Roos (Assistant Commissioner, Office of Real Property Disposal, Property Management and Disposal Service, GSA) called the undersigned to advise that GSA was prepared to initiate a survey of the Bureau of Public Roads property at Langely.
2. Mr. Roos indicated that he was calling because he was aware of our (CIA) interest in the land and was also aware of the briefing the undersigned had with Mr. Walter Moreland (Deputy Commissioner, Property Management and Disposal Service, GSA) on the subject. (See OL 0 3870 - memo for the record dated 30 June 1970 - re briefing on 29 June 1970). NOTE: At this briefing Mr. Moreland was provided with copies of pertinent correspondence between BPR, the Agency, and GSA, relative to the BPR land.
3. Mr. Roos stated that the survey would no doubt be fairly long and protracted and he felt it would be appropriate to start it as soon as possible. The undersigned, cognizant of the Building Planning Staff's progress in developing a "usage plan," did not consider it appropriate to suggest a delay.
4. The undersigned expressed appreciation to Mr. Roos for advising us of GSA's intended action and suggest that at some appropriate time a briefing regarding our proposed usage plan might be advisable. Mr. Roos agreed.
